D4.3 Guidelines for learning and brokering activities (M4)

WP4, Task 4.1.2

Author: Áine Macken-Walsh (Teagasc)

Abstract

D4.3 takes place within WP 4, the overarching objective of which is “Community Building and Animation”. The deliverable defines the operational framework for learning and brokering activities occurring primarily in SKIN’s Innovation Challenge Workshops and Regional Nodes but also in other ad hoc spaces.

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement N°728055.
